Cancellation policy:

As per Support at Home Service Cancellations Policy POSM015.
 Just Better Care defines short notice cancellation in line with the Support at Home Program Manual as occurring two (2) business days or less before the scheduled service and includes cancellations occurring at the door' and 'no shows'. A "no show" includes a participant not responding to or being present at the agreed location of service; these circumstances generally invoke a critical response protocol to ascertain the safety and wellbeing of the care recipient. Just Better Care may apply up to the full value of the service, including any participation contribution where it has committed to deliver the service, on short notice cancellations and no shows'.
